

The Riverbank

Told by Inari, May 2018

I have a Safe place and I can go there anytime . . .

I see a Waterfall—it's blue and white. The cave is brown and the leaves are beautiful—some are oval and some are square. They are different colours: Green, Leaf Green and Forest Green. Some leaves are Turquoise. . . . And that's Mum's favourite colour!

I can hear the Waterfall: **Shhhhhh Shhhhhh Shhhhhh**

Dripping water from the cave: b-b-b-b-b-b

The leaves go: **Shh glah glah glah**

Shh glah glah glah

Which in leaf language means : **You are safe here You are safe here!**

I can smell fresh air . . . like leaves . . .

I can touch the cave. It feels hard as a rock and smooth and rough and cool

The Waterfall is wet and strong . . . Pure water!

I have a Safe place and I can go there anytime.
