Course Overview

Developed by experts in the Family Separation Services, this workshop will review the current system of Family Law in Australia, including including the different pathways through family separation, such as family dispute resolution through to family court. It will also include information about the processes and personnel in the family law courts and discuss the complexity of the family law arena.

Who is this workshop suitable for?

Staff seeking an introductory understanding of the family law system, family dispute resolution and conflict management.

This one day workshop will cover:

- The Impact of conflict and separation on families
- Different conflict resolution strategies
- Information about The Family Law System
- The management of Children Matters in Mediation and the Family Court
- The "Best Interests of Children"

By the end of this workshop, participants should understand

- Impact of separation and conflict
- Conflict resolution strategies
- The Family Law System
- The management of Children Matters
- The "Best Interests of Children"
