2030 Goals

Support Western Australians to Thrive

Expand our support to reach new communities, including through place-based models that empower communities to thrive.

Foster long-term partnerships and engage communities to create shared visions for a thriving future.

Set the standard in high quality service delivery, guided by lived experience and underpinned by best practice and robust outcomes measurement.

Be a Fearless Voice for Change

Empower staff and our communities to lead local advocacy that creates positive lasting change.

Deliver exceptional research informed by lived experience, our services and our partnerships.

Challenge public policies and advocate for innovative solutions to create a more just, equitable and inclusive future.

Amplify Aboriginal Recognition and Justice

Deliver on bold ideas with, and for, Aboriginal leaders and communities, including transitioning services guided by community.

Embed truth-telling, listening, healing and valuing Culture as standard practice in all our services, systems and decision-making.

Be a safe and meaningful workplace for Aboriginal People.

Lead Bold and Innovative Solutions

Invest in breakthrough sector innovation co-designing, piloting and embedding solutions for the trickiest community problems.

Empower our teams to create new possibilities with, and learn from, people and communities.

Inspire ourselves and our partners to think differently and act courageously to deliver lasting change.

Build Organisational Resilience and Readiness

Enhance our capacity and foster a culture of continuous improvement across all services, systems and decisions.

Drive operational excellence by staying ahead of emerging trends and ensuring readiness for future changes.

Embed Environmental, Social and Governance best-practice to create long-term positive impact for communities and Country.
