

Anglicare WA Suicide Postvention Support

Our four free services – Arbor, Cypress,
Standby and Metro Postvention Response

Anglicare^{WA}

ARBOR (Active Response Bereavement Outreach)

Short-medium term grief counselling, referrals, practical and emotional support and volunteer lived-experience peer/group support. Based in Perth metro. **1300 11 44 46, anglicarewa.org.au**

CYPRESS (Children and Young People Responsive Suicide Support) is a long-term formal counselling service for children and young people aged 6-18 years bereaved by suicide in the Perth metro area. **1300 11 44 46, anglicarewa.org.au**

StandBy Support After Suicide

Support for those immediately bereaved or impacted by suicide – including individuals, families, friends, witnesses, first responders and service providers. Flexible face-to face or phone support, 7-days a week, any time or place.

1300 727 247, standbysupport.com.au

Metro Postvention Response Coordinators (MPRC)

Coordinated response when a community or large group is impacted by suicide. MPRC develops postvention plans to reduce risk, facilitate recovery and engages service providers, people with lived experience and cultural representatives to provide advice and referrals. **metropostvention@anglicarewa.org.au**
